Community of Sant'Egidio,
Commission for the Social Issues, Italian Parliament

Conversation

Let us not be afraid to say it: we want change, real change, structural change. This system is by now intolerable... We want change in our lives, in our neighborhoods, in our everyday reality. We want a change which can affect the entire world, since global interdependence calls for global answers to local problems. ---Pope Francis
Address to Popular Movements (9 July 2015)
